Dimensions: 36" wide, 22" deep, 39" high

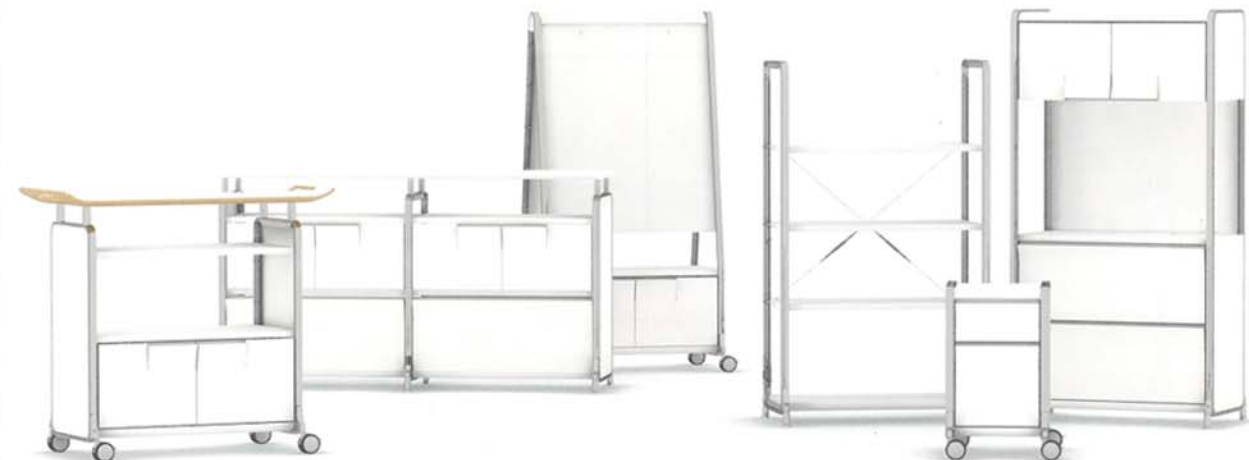

White painted solid metal sides and door fronts

Back-painted orange door pulls

Brushed chrome metal frame

White laminate top

With glide or caster leg options

SHARED FEATURES

Teneo is an adaptive platform—rings, utility, and cladding combine in numerous ways to create numerous products. While each Teneo product is unique, all share distinctive features. The most notable are the ring structure and the pull. Doors, drawers, and cladding options vary enclosure. Many models come with either glides or casters. Several units accept top or touchdown surfaces.

SINGLE ISLANDS

These islands support collaboration by holding anything a team or group needs.

Widths: 36-39; Depth: 22; Heights: 36-40

SIDE-BY-SIDE ISLANDS

Double the capacity of single islands, these units share the center ring structure.

Width: 70; Depth: 22; Heights: 36-39

PRESENTATION UNITS

Easels, carts, and lecterns offer mobility and function for communicating with groups.

Widths: 20-40; Depth: 22; Heights: 37-70

WALL UNITS

These units store materials, display items, and divide space in community areas.

Width: 36; Depth: 22; Heights: 36-70

INDIVIDUAL STORAGE

From pedestals to towers, these units provide space for personal items.

Widths: 20-36; Depth: 22; Heights: 26-61

SURFACES

Touchdown, flat, and curved tops add functional surface area to many units.

Widths: 16-78; Depths: 22-43

Dry-erase Writing Surface

MDC WALLCOVERINGS

IDEA PAINT
